Memorandum

Mr. Home.

N. E. ¼ of 20-72-3 W. 6th M.
Homestead entry of Lawrence G. Willette
Entry granted on the 7th of May, 1917.

Cancellation proceedings were instituted on the 22nd of May, 1919, and Mr. Willette has filed a defence, which shows that owing to his wife's illness, and his service in the Royal Air Force, he has been unable to perform any cultivation on this land up to the present time, and requests an extension until fall in which to go into residence. There is on file a certificate from the Imperial Royal Flying Corps dated the 15th of October, 1918, showing that this man was attested for active service with that Corps on the date of their Certificate.

In his declaration Mr. Willette states that he was discharged from the Royal Air Force at Toronto, Ontario, in January last. The way I understand the Rule is that when a man enlisted after securing entry, he was allowed to count three months' residence from the date of his discharge, and his entry would be in good standing for six months from that date.

Please say if my interpretation is correct, and if so should the Agent be instructed to withdraw the cancellation proceedings issued on behalf of George A. Grant.

do solemnly declare: -

(State whether homestead, pre-emption, purchased homestead or pre-emption)

That I made entry for the above-mentioned land as a Homestead

(Here give reasons why entry should be cancelled, as for example, that land is not fit for cultivation, that water cannot be obtained, that settlement duties cannot be performed owing to sickness, poverty, etc.)

re: N.E.¼ 2. T. 7. R. 6. W. 6. M.
Instr. - J. D. Millett, Homesteader.

I beg to enclose you the report of Homestead Inspector T.L. Heaton covering the above described quarter-section, on form 54 and 54a.

Mr. Millett, on the 4th of May 1921, made an application for patent, claiming 35 acres broken in 1920. The Inspector sets out that only 32 acres were broken and cropped in that year, but states that this amount was equal to 35 acres of ordinary prairie land.

He was unable to secure witness as to the statements made by Millett, and recommends that a fresh application for patent be taken.

I am, by a copy of this letter, notifying the Official Guardian, Department of Attorney General, Edmonton, in order that he may take such action as his department may advise.

Encls.

Dominion Lands.

Re: [illegible] L.A. Willett.

I am in receipt of the result of [illegible] letter of the 4th instant, enquiring the [illegible] deceased Soldier-settler, L.A. Willett, and to say that [illegible] have arrived at. [illegible] difficult for me to say what the value of the [illegible] would be. It cannot be sold or disposed of until the latest for the same has been issued. DOMINION LANDS ADMINISTRATION

WILLIAMS

3rd July, 1929.

MEMORANDUM.

Mr. Perrin:

N.W.¼ 20-70-12-W.6th M.
Homestead - Herman W. Goodman.
Obtained entry 28th April, 1920.

When Mr. Goodman filed he paid his own valuation of $15.00 for a shack which was on this land. Inspector Fletcher on the 12th June, 1920, valued the shack at $25.00 and Mr. Goodman subsequently paid the balance.

On the 7th October, 1926, Inspector Lance T. Smith credited the entrant with continuous residence from the 28th April, 1920, to the date of his report. He credited him with sufficient cultivation but stated the buildings were located on the fractional South West quarter of Section 20, Township 70, Range 12, West of the 6th Meridian. These buildings consisted of the following:-

Log house, 16x30	$75.00
Stable, log, 28x30	$90.00
Blacksmith shop	$65.00
Fencing, ½ mile rail	$30.00
Well	$50.00
Chicken house	$50.00
Log shed	$30.00
Total	$390.00

The only improvements on his homestead was 2 miles of fencing, value $160.00, along with the necessary cultivation.

The case was submitted on the 16th September, 1927, and as Mr. Goodman had been allowed to purchase the Fractional South West quarter of Section 20, Township 70, Range 12, West of the 6th Meridian, which the buildings were situated on, he was advised that he could make application for patent when the purchase price for the fractional area had been completed.

The question of cancelling the sale of the Fractional South West quarter of Section 20 is now receiving the attention of the Ordnance Lands Division but before taking any action in connection therewith, the file has been referred here in view of Mr. Goodman's representations.

There is no doubt that Mr. Goodman was under the impression that he was performing the residence duties in a bona fide manner in view of the fact that he considered when he paid $25.00 for the shack, which in reality was on the purchased

-land-

land, that the said building was on his homestead. He also states that last year he lost the house and contents by fire but has built again on his homestead.

Apparently Mr. Goodman does not intend to go through with the purchase of the fractional area and in view of the circumstances I would recommend that the residence performed by him on his purchased land be allowed to count in view of the fact that he was not informed that his house was on adjoining land until after six years had elapsed from date of entry. The matter with respect to the sale of this area may then be referred to the Ordnance Lands Division.

COMMISSIONER:

There is no doubt that Mr. [illegible] erected the building he claimed at the time of entry on his homestead, and consequently lived therein, in good faith believing that he was complying with the residence conditions.

The ordinary practice in cases of this kind is to require the removal of the building to the land held under entry and perform three months residence therein, and that when this is done the entrant is given credit for all residence previously performed in error on adjoining land.

In the present case the original house has been destroyed by fire, therefore, the same cannot be moved to the homestead. Mr. Goodman, however, has built a new house on the homestead, and under these circumstances I think he should be given credit for all residence performed both on his homestead and on the fractional area.

Jos. S. Dennis, Esq.,
Superintendent,

Dept. of the Interior,
Ottawa, Ont.

Dear Sir -

I have yours of October 1st, file 741/258, re Athabasca Valley Railway and regret oversight in replying to yours of April 25th last.

The Construction of the Athabasca Valley Railway is linked with the ultimate disposition of the Edmonton, Dunvegan & British Columbia Railway and the Central Canada Railway and at this time, without knowledge as to what arrangement will be made for the continued operation of these railways it is impossible for me to say when the Athabasca Valley Railway will be built.

This line however, is required to accommodate settlers who have located along its proposed route and I believe, that shortly after a definite arrangement is arrived at regarding the E.D.& B.C. and C.C.R. Railways, that construction will commence on the Athabasca Valley Railway.

If possible, I would appreciate it if you would hold this matter in abeyance for a year when we should be able to give you some definite information on this matter.

Yours truly,

W. Watter

Sir,-

re Strikers vs Ry Company.

I beg to refer to your letter of the 17th inst. relative to the above Montreal Railway, in which you state that the construction of the Hill Railway is linked with the Atlantic Dispositions of the Canadian Northern Railway and Trunk Pacific Railway and the Central Ontario Railway, and that this has not been put forward until the Montreal Railway matter is settled, and that the Hill Railway will be proceeded with as soon as possible after the Montreal Railway matter is settled.

With reference to the strikers vs Ry Company, you request that this matter be held in abeyance for the present.

In view of these facts it has been decided to hold this matter in abeyance for the present date.

In the year 1917 the Edmonton, Dunvegan and British Columbia Railway Company made application to the Department for free right of way across certain lands along the route of its proposed Athabasca Valley Branch. The charter of this Branch will be lapsed some time this and has not since been renewed.

At the last session of the Alberta Legislature an Act was passed, authorizing the construction by the Provincial Government, of a Railway to be known as The Pembina Valley Railway.

In a letter of the 17th instant Mr. Jno. In view of the above I would recommend that the reservations across the said lands be changed to apply to the Pembina Valley Railway.

In reply to your memo. of the 15th, I might say that the Timber [illegible] of the Department reports that this half section is a stock watering reserve and [illegible] a dipping vat.

The [illegible] that this land is not further required for stock watering purposes. In accordance with a general arrangement affecting all lands held for stock watering reservation, enquiry is now being made as to whether this land is required in connection with a better water supply scheme for Alberta. If it is found that it is not so required, the land would be placed at the disposal of the Soldier Settlement Board for leasing under the Order in Council of the 30th October last.

In reference to the last sentence of your memo. it does not appear to me that there is anything doubtful or disputed in this case. Local returned soldiers are pressing to have the land made available for entry, but in dealing with these stock watering reserves we are endeavouring to follow out the policy laid down by the Order in Council of the 30th October last, which was based on a memo. prepared, I understand,

RE: E½-32-17-27-4.

With reference to the memorandum of the 17th instant hereunder respecting the E½ of section 32, township 17, range 27, west of the 4th meridian,-- a stock watering reserve-- I beg to say that the Commissioner of Irrigation has been instructed to have an investigation made of this land as to its value in connection with the water supply question.

Owing to the lateness of the season it will be impossible to make the desired examination of this land this season, but it has been arranged to undertake it as early as possible next season.

Pending the result of the inspection, I am of the opinion that no disposition should be made of the E½ of section 32, township 17, range 27, west of the 4th meridian.

Respectfully submitted,

W.W.Cory, Esq., C.M.G.,
Deputy Minister,
Department of the Interior,
Ottawa.

Mr. [illegible],
Secretary,
[illegible] Settlement Board.

Your letter No. [illegible], [illegible].
Your file No. [illegible].

I have your memorandum of the 19th, and will ask Mr. Drake to have the Commissioner of Irrigation submit an estimate of the possible value of this land when he is making his enquiry as to whether it will be required in connection with the water supply question.

Owing to the lateness of the season it will be impossible to make the desired examination of the land this year, but it has been arranged to undertake it as early as possible next season.

When the Commissioner of Irrigation has reported we will be able to advise you whether the land can be made available, and we will also have an approximate idea of the value of the reclamation.

Deputy Minister.

K.M.

3rd December, 1917.

Mr. Drake,

Referring to your memorandum of the 1st instant, please ask the Commissioner of Irrigation to submit an estimate of the value of this land when he furnishes his report as to whether it is required in connection with the water supply question. What we want is to have an idea of whether or not the half-section should be made available for soldier settlement in the ordinary way, or whether it is especially valuable and, therefore not of the class that should be opened for ordinary entry by settlers. Especially valuable lands are being dealt with in a separate way under the Order-in-Council of the 30th of October last.

MEMORANDUM: Mr. Hunt, Dominion Lands Branch.

I have just received the following memorandum from the Deputy Minister:

> "Referring to your memorandum of the 7th instant, as this land comes within the category of specially valuable lands it should be dealt with under the Order in Council of the 30th October, 1918. Please have the necessary action taken departmentally."

On the 7th instant I forwarded to you a copy of our inspecting engineer's report on this land, pointing out that according to this report the land is no longer required for stock watering purposes nor in connection with domestic water supply; that it is excellent agricultural land, about 85% of which is arable, and that in his opinion it is worth about $20 per acre, or more. On the 13th instant I sent you a photostatic copy of the plan which accompanied the report referred to.

It appears to me that the Deputy Minister's report to have 'the necessary action taken departmentally' does not require any further action in so far as this branch is concerned. I assume that the necessary arrangements will be made in the Dominion Lands Branch and the Timber & Grazing Branch.

Sir,

I beg to inform you it has been decided to transfer the East half of Section 32, Township 17, Range 7, West of the 4th Meridian, which was recently open to entry, from a reservation for grazing purposes, to the Soldier Settlement Board to be settled under the provisions of the Soldiers' Land Settlement Act. The Soldier Settlement Board Council has power for the purpose of settling on especially valuable lands and empowers the Board to rent or lease such lands on such conditions as may be satisfactory to the Minister of the Interior, preference being given to returned soldiers and the proceeds to be deposited with the Receiver General to the credit of a Fund to be designated "The Soldiers' Land Settlement Fund," or in the event of the land not being rented or leased to make such other arrangements for ploughing, seeding and harvesting the crop as the circumstances may necessitate.

OTTAWA - October 23rd, 1924.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,

MEMORANDUM:

Request for Transfer of Patent Rights.

Re: Donald McLennan, #1037437.
S.E.¼ 1-72-11-W.6th M. - Wood.
N.E.¼ 1-72-11-W.6th M. - Wood.

The above named settler secured advances from the Board for Permanent Improvements, Equipment, Stallion Class, Stock and his unpatented homestead, and is taking a grant therefor to such chare. Patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. McLennan, requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. McLennan states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letters from the Secretary of the Department to the settler, dated the 20th September, 1924, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1041), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the E.½ of 1-72-11-W.6th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted.

Re: Asher B. Dixon, #425941.
S.W.¼ 15-81-25-W.5th M. - Sask.

The above named settler secured advances from the Board for stock & equipment and Permanent Improvements totalling $1610.00, the Board taking a charge upon his unpatented soldier grant above described. Subject to such charge, patent to the soldier grant should be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Dixon, requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Dixon states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated 2nd June, 1924, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor-in-Council on the 4th day of June, 1921, (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 15-81-25-W.5th Meridian be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted.

CHAIRMAN.
